

WOMEN ON THE EDGE MEETING AGENDA

May 20, 2018

1. Approve November meeting minutes: These minutes are available on the Chapter web site at: <http://womenontheedge.info/home/minutes-agendas/>

2. Approve Treasurer's report

3. June Chapter Ride

- a. Need someone to volunteer (Carol M. not able at this time)
- b. Possibly change the date to June 9 or 10 (several of our members have other commitments on June 16)

4. September Chapter Ride

- a. Sept. 15 Bacon Festival in River Falls (additional ride?)
- b. Note that the Gays Mills Apple Fest (one of the options Doreen & Dorothy might consider for the Sept/Oct ride) is Sept 28-30

5. Change Funtest Boundaries?

6. Update: So far our recently enacted chapter retention incentive of reimbursing new members for their 2nd year WOW renewal has paid for Leah Misch' renewal. Leah is not here today because she is speaking at a bike blessing in Melrose. She can be a great ambassador for WOW as she has an active blog, she has had adventures sponsored by Indian Motorcycles, etc (<https://www.ridingwithleah.com/about/>) Of course it will be at least another year plus before we know if this incentive accomplishes its' goal.

7. Funtest Bandanas are available for purchase

8. Update on Amy Nordahl's S.A.V.E. ride

9. WOW WOW Reminder

10. New business suggestions* (Note that we are pretty flexible regarding discussions and may even take a vote on a new business item if it is time sensitive, since we only meet twice a year; to have a voice, you really must attend if at all possible)
